waste of Human Power. A physician reads a homily on the grinecessary amount of dynamic force people throw into ad the same force.

Dr. Catto's Insurance for \$10,000in John Hancock Company

Paid to the Widow This Afternoon by

- Personal Check for the Amount of the Policy.

J S. Galvin, the General Agent

The late Dr W M Catto held a policy in the John Hancock Mutual Lafe Insurunce company for \$10,000 professor laments that thousands of which he had carried for two years tons of dyramic ferce are threwn away the promptions of the John Hancock company in the payment of death because music tutors have not taught losses was again illustrated today, concentration of the power of the hand when this afternoon Mr J S Galvin, the position and movement of the the general agent for the company, fingers and wrist of Louis Globe- called upon the widow, Mrs Plotence N Catto and gave her his personal check for \$10,000 on the Millikin In a weman's employ was an Irish National bank of this city demand of the policy The necessary proofs of death were not secured until today. They will be forwarded to the A few weeks later she announced to head quarters at Boston Mass, and in adjusted and Mr. Galvin will receive a drait for \$10,000, the amount ad-

cancel by him today Mr Galvin states that in Decatur alone the John Hancock company has "but I'm oring to be married to my \$400,000 mentance in force and \$3 500 - cousin's widewer" 000 in his ferritory. Throughout the country the company has \$100,000 000 ife insurance in force. One of the catures of the company management s the promptness with which all lo es iro paid, a fact which has facmarked me whilst he was mourning '- quently been brought to the attention of D catur people through the general agent Mi Gilvin Di Catto had Your little boy seems to have a bad insurance in six other companies but cond' said the kird passenge. Won't the largest placy was with the John

POLYGAMY IN CONGRESS The case of Robert the polygamous congressman ch t frem I tur 19 at tracting wide attention Mr. Rolerts, who has three wayes has been elected to Congress and objection has been raised as to his obligibility to a seat in Congress because he is a polygamist Churches, other religious and motal societies and numbers of Congress have taken the matter up and seem determined that Loberts shall not be allowed to sit in Congrass and the The people of the t rritory of I tah, when seeking admission as a state pledged thems live to abandon polygamy if the territory were admitted as a state. This was one of the conditions upon which the state was admitted v til d filmes of this fact Roberts a polygamist was elected to Countess from that state last No vember

The power of Contress to teless a sent to Roberts on the grounds that he is a polygamit in the absent of a conviction by the courts of Utah, 1.1 questioned This has I rought out the fact that George Q Cannen who presouted himself as the deligat cle t from the territory of 1 tilt in 1881 was unseate I on the ground that howard polygunist Cumon had sat in the House for six yours befor that and his right to a cat had not been qui tioned Answipaj i min nami d. W. F. Maddon has produced a lett r written to h m at the time by James S Robinson, a congressman from Ohio, which i fr shes them mory of Congress on the subject

Congress on the subject

House of Representatives of the United States Washington D (
December 6 1881 William I Mail den, Esq Dear Sir - Your layor of the 2d duly received I fully concur in all you have sail. We had the commanding general, and clearly suggests that Miles is now Utah question up in the House teday, but did not reach a vote. We did not permit Mr Cannon to be sworn in however As usual, the lating Dynno crats came forward in the House in support of the pelygamist taling his spirot of the pelygamist taling his command is he was unequal to the sent although the command in he was unequal to the present against the perpotna.

Indicate the subject of fitting out the state tax on subons the money so collected to be appropriated by the execution was a reflection upon the legislature for that purpos, which is somewhat questionable in view of our present policy.

GEN GOMEZ' DESIRE

It is report that Cancial Comez disable a desire that the present in the perpotna of fitting out the state tax on subons the money so collected to be appropriated by the execution was a reflection upon the legislature for that purpos, which is somewhat questionable in view of our present policy.

GEN GOMEZ' DESIRE

It is report that Cancial Comez disable and the command is the was unequal to the collected to be appropriated by the execution was a reflection upon the legislature for that purpos, which is somewhat questionable in view of our present policy.

GEN GOMEZ' DESIRE

It is report that two state tax on subons the money so collected to be appropriated by the execution was a reflection upon the collected to be appropriated by the execution was a reflection upon the collected to be appropriated by the execution was a reflection upon the light of the commanding general, and clearly suggests that Miles is now present purpos. tion of Mormonism when the question comes up and so will the Reput lean

FOLIA

Folrath & Hardy.

House of Representative Very truly J S ROPINSON subordinates ought to be court mar full d and di missed from the service Roberts i a Demot stant as that He should have been removed for in with the aged patriot. Such a me t party supports I polygray in the Cur-compet nev during the war. He has ling would do more to reassure the non (i.e. it mile to did noted on to paid too much attention to his ward | Cubans of the honest intentions of this support it in the toberts ets. regard rote and too little toward making the government than a volume of procla les of the moral features of the quest army efficient. If the reader cannot mations. The great mass of Cubans tion. If he is dear lass at the Rosset the ridiculousness of Miles atti- have impact confidence in Gomez publicans will have to do it and as a tude let him if he can imagine Giant and if he returns to them from a visit result it will be charged all over Utah, or Sheridan or Sherman, or Hancock to the president with the assurance that the Republicans and it from going into the newspapers to criticise that the best thing for the Cubans to partisan motives. But th Republican the work of the quartermaster, the do is to forget the war and address party has a record for me ting holdly commissary or the engineer especially themselves to the business of rebuilt such questions and should not here those on his personal staff. Nobody ing the waste places, the chances at tate, and it will not he sitat in this but an incompetent and a martinet they will follow the advic with the instance. The people of true should could be guilty of such unsoldicity result, that everything will move be required to ke p than agreem at conduct. When Phil Sheridan assued as to polygamy and every D mount as an order to his chief of engineers it well as ev to R publican should vot was an intelligent and reasonable right and settle the question once for order, and the person receiving it excuted it. If it was to bridge a A still more initical, question is stream the stream was bridged. It liable to arise. From the 1 ports of may have been by pontoons, or by

the balloting for United States senttor the use of a nearby building or by fellin the Utah legislature a wife of a ing trees across and flooring them polygamist is likely to be elected to with green brush. There was nev i the United States state. She is a any contention about painting the fore the public. Our citizens are sur state senator now She is the third bridges. The object was to effect a prised and delighted. They express wife of George Q Cumon Jr In crossing think of Phil Sheridan going into she so classed under the law. The the nowspapers to criticise his chief know what it means to be conversed man who has mere than one wife is a of engineers as Miles has done. Why, polygamist. He is not a polygamist before he would have been guilty of until he marries a second wife the su h boobyism he would have sent the first one being still alive, and un ougment so far skyward that no news divorce to it the man matrice more pay reporter would have over reached

than one wife he be one supely amist him. But if the engineer had done but in that case the first wite diss not his full duty or even if he had not lowing is the a count in detail of his necessarily endors polygons as she Phil Shoridan was not the man to try may not have consented to it but the to exonorate himself at the expense of second, third or fourth wife is er a subordinate But Phil Shoridan tainly as guilty of practicing polygamy was a general. He could accomplish from a motal point of view is ti, mitticsults without calling upon the world himself. This is to case with Mis to withe shis ability to make great George Q Cannon No and in case of and useless preputations. Miles is the her election to the United States of posite of Ph I Sh ridan

INEBRIATE ASYLUM.

Alill, to say the least unique in it, itself now, and should be settled. If character has been introduced in the the Democratic party refuses to help llin is legislature. It provides for let the Republi ms assume the re the election in the state of two sponsibility though it makes Utah inelviate asylums and for declaring haritual drunk wis inchriated and with the view of curing them and ie If there was any doubt in the mind storing them to manhood. The reof any person who and is and the markable feature of the bill is the system which belongs to an army in provision, that the Siloonkeepers of the field and the ability required to the state are to be assessed for the make an army effective, and to whom erection and maintenance of thise the responsibility belongs as to G n | institutions. The person who intro eral Miles statements and newspaper du ed the bill state that it is intro interviews being unwarranted, un du ed at the request of numerous

quiry should put such doubts at rest linstitutions might do a vast amount General Ludic wwas chief of engineers of good if they would not operate to on Miles staff and carried out his cause a cortain class of moderate chief's orders relating to his branch of drinkers who are without visible the name Doan's and take no substithe service. In his interview Miles means of support to become inebriates reflected on the engineers. Ludlow, in order to winter in them, and in a trained and discreet soldier, unlike ebriates from other states emigrating Eagan, in his statement clearly shows to Illinois Ou the contrary if these that Miles hed directly and by imministrations were paid for as propose putation, in his reflections upon the every saloonkeeper would become in engineers. Ludlow shows by Miles torested in preventing men becoming orders and the work of the engineers inebriates and they could be depende that these orders were carried out ex on to picket the borders to prevent an cept such as were unjust and im- inrush of inebriates from Indiana and possible, to which he furnished the colonels from Missouri and Kentucky

she at the time. Lud- The trouble with the proposition is

low's statement reveals, what the Re | that class legislation of this sort could pullican has all along suspected, that not be entorced in Illineis except by a pullican has all along suspected, that not be enforced in Illine's except by a long if finey and Lache distingtion which in point of collected to be appropried by the usual to in grippe and prevents piece. execution was a reflection upon the legislature for that purpos, which is Kiers, W. H. Hubbard

I shall your against the perpoting cm agency and for his recent cowardly. Having expressed such a desire ther charges and instituations against hi [18 every reason to ruppes the presid at will consent to an arrangement by which he can consistently consult
